

DVI Over CAT5 Up To 150ft.

DVI CAT-5 extender

Our ex•tend•it DVI CAT-5 Extender extends your DVI display up to 150 feet away from your HDTV DVI or HDMI source using cost effective CAT-5 cables.

How it works

The DVI CAT-5 Extender sender unit sits next to your computer, DVD player or any set-top box. The cable supplied with the DVI CAT-5 Extender connects your DVI source to the sender. The DVI CAT-5 Extender receiver sits next to your DVI display - up to 150 feet away. The display plugs into the back of the DVI CAT-5 Extender receiver. Two CAT-5 cables* connect the sender and the receiver units to each other.

The DVI CAT-5 Extender is HDCP compliant.

[DVI, HDCP & HDMI Defined](#)

Package Includes:

- the DVI CAT-5 Extender-S
- the DVI CAT-5 Extender-R
- One 6 foot DVI cable
- One 5V Power Supply
